

Amendments to the Claims:

The listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

Claim 1 (Original) A hair treatment composition comprising a silicone pressure sensitive adhesive emulsion in which the emulsion comprises a disperse organic solvent phase in a continuous water phase.

Claim 2 (Original) A hair treatment composition according to claim 1, in which the silicone pressure sensitive emulsion prior to addition to the composition comprises a disperse organic solvent phase in a continuous water phase.

Claim 3 (Currently Amended) A hair treatment composition according to claim 1 ~~or claim 2~~ in which the emulsion further comprises a surfactant.

Claim 4 (Currently Amended) A hair treatment composition according to ~~any preceding claim~~ claim 1 in which the organic solvent is a hydrocarbon.

Claim 5 (Original) A hair treatment composition according to claim 4 in which the solvent is isododecane.

Claim 6 (Currently Amended) A hair treatment composition according to ~~any preceding claim~~ claim 1 which is a leave on product.

Claim 7 (Currently Amended) A hair treatment composition according to ~~any preceding claim~~ claim which further comprises a propellant.

Claim 8 (Currently Amended) A hair treatment composition according to ~~any preceding claim~~claim 1 in which the propellant is a hydrocarbon gas.

Claim 9 (Currently Amended) A hair treatment composition according to ~~any preceding claim~~claim 1 further comprising a hair conditioning agent.

Claim 10 (Currently Amended) A composition according to ~~any preceding claim~~claim 1, in which the silicone pressure sensitive adhesive comprises 20 to 80 % by weight of the silicone pressure sensitive adhesive emulsion.

Claim 11 (Currently Amended) A method for styling hair which comprises contacting the hair with a composition in accordance with ~~any preceding claim~~claim 1.

Claim 12 (Original) A hair treatment composition obtainable by adding a silicone pressure sensitive adhesive emulsion comprising a silicone pressure sensitive adhesive and an organic solvent phase in a continuous water phase to a base composition.

Claim 13 (Currently Amended) The use of the hair treatment composition according to ~~any one of claims 1 to 9~~claim 1 to impart hair styling without stickiness.
